A Year of Steady Progress Toward Achieving JPY 100 Billion in Consolidated Ordinary Profit

In the first year of the medium-term business plan, the Group focused on strengthening the foundations of our strategies.

Specifically, the Group implemented a range of initiatives under five key themes: “Promote further construction business growth and deepening”, “Expand and improve of quality of real estate business”, “Promote condominium management and operation business growth”, “Monetize overseas business”, and “Challenge to new business areas”.

As a result of the steady performance of our Construction-Related Business, Real Estate-Related Business, and Condominium Management and Operation Business, consolidated ordinary profit reached JPY 94.1 billion, exceeding initial forecasts.

In addition, as part of our efforts to enhance capital efficiency, the Company purchased JPY 20.0 billion of treasury shares to improve ROE.

The Group aims to remain a company chosen by investors in the stock market.

- Earnings: Steady growth across three core segments—Construction, Real Estate, and Condominium Management and Operation businesses.
- Construction Business: Achieved record-high non-consolidated orders of JPY 726.7 billion, with construction profit margins recovering beyond expectations.
Commenced operations of a precast concrete plant(PCa) to establish a sustainable production system.
Received an order for large-scale data center project, accelerating expansion into non-residential sectors.
- Real Estate Business: Promoted higher asset turnover to improve capital efficiency.
- Overseas Business: Acquired a 30% stake in a US real estate developer engaged in rental apartment development and construction.
The Group aims to establish a stable and sustainable earnings base while improving capital efficiency and diversifying risk.
- DX: Opened the “Haseko Digital Technology Lab,” a future-oriented residential experience space leveraging advanced digital technologies.
- New Business: Introduced a program to solicit and recognize business ideas for new business creation to foster a culture of innovation.
- Capital Efficiency: Purchased JPY 20.0 billion of treasury shares as part of initiatives to improve ROE.

Financial Results for FY2025

- In the consolidated financial results for FY2025, net sales rose to a record high of JPY 1,273.1 billion (up 8.1% YoY), driven by increases in net sales from completed construction contracts and real estate sales. Due to increases in gross profit from both completed construction contracts and real estate sales, operating profit rose to JPY 98.7 billion (up 16.6% YoY), and ordinary profit reached JPY 94.1 billion (up 12.8% YoY). Although extraordinary losses of JPY 4.1 billion, including impairment losses, were recorded, the absence of large extraordinary losses booked in FY2024 contributed to a significant increase in profit attributable to owners of parent, which reached JPY 54.8 billion (up 59.2% YoY).
- Orders Received (non-consolidated) increased to JPY 726.7 billion (up 23.9% YoY), reaching a record high, driven by an increase in orders received for private-sector condominiums.

Forecast for FY2026

- In the consolidated financial results forecast for FY2026, net sales are expected to increase to JPY 1,380.0 billion (up 8.4% YoY), and ordinary profit is expected to increase to JPY105.0 billion (up 11.6% YoY), driven by higher net sales of completed construction and improved gross profit margins. Ordinary profit is expected to reach a new record high.
- Orders Received (non-consolidated) forecast for FY2026 are expected to reach a record high for the fourth consecutive fiscal year, totaling 730.0 JPY bn (up 0.5% YoY).
- ROE for FY2026 is expected to be 11.3% (up 1.3pt YoY).

Shareholder return and Capital policy

- The annual dividend per share for FY2025 is expected to be JPY 95, reflecting a JPY 5 increase in the year-end dividend from the initial forecast. Payout ratio expected at 46.4%.
- The annual dividend per share for FY2026 is planned to be JPY 100, an increase of JPY 5 year on year. Payout ratio expected at 40.1%.

Impact of the Middle East Situation

- While developments in the Middle East warrant continued close monitoring, their impact on orders and construction activities is currently considered to be limited.

- Overseas business segment continues to record losses, primarily due to losses from operations in Hawaii, US, while real estate development on the US mainland, etc. is still in the upfront investment phase.
- In Hawaii, a large-scale mixed-use development project on Oahu (Ewa project) is progressing. The Group strives to improve profitability and operational efficiency, while advancing the project toward completion.
- On the US mainland, etc. the Group is currently investing in rental apartment development, with investment recovery expected to accelerate from FY2027.
- In April 2026, the Group acquired a 30% stake in a US real estate developer engaged in rental apartment development and construction. The Group aims to establish a stable and sustainable earnings base by gradually shifting to a light-asset business model, while improving capital efficiency and diversifying risk.

Shareholders' Return Policy in Medium-term Business Plan "HASEKO Evolution Plan" (FY2025~FY2030)

- Total return ratio of approximately **50%** of profit attributable to parent company shareholders over 6 fiscal periods
- Continue stable dividend, and **implement progressive dividends** during the plan period
- Purchase treasury stock flexibly as needed

ROE target under “HASEKO Evolution Plan” (FY2025~FY2030) is to maintain a level above 10% and to reach **appx. 13% by FY2030.**

- PBR increased significantly from the end of the previous fiscal year, supported by improvements in ROE and a strong equity market, reaching around 1.5x.
- ROE for FY2024 fell well below 10% due to extraordinary losses; however, it recovered to around 10%, the target under the medium-term business plan, driven by higher operating profit and share buybacks.
- PER rose in FY2024 due to a decline in EPS caused by extraordinary losses but remained at a relatively high level in FY2025 compared with historical levels, supported by both EPS recovery and a higher share price.

The Group will enhance profitability, primarily through improvements in construction margins, and aim for continued growth in ROE.

Certified as an excellent health and productivity corporation 2026 (Large corporation category (White 500))

This marks the fifth consecutive year and the eighth time that the Company has been certified under the “White 500” program. Under the slogan “No results without employee health,” the Group is committed to promoting health and well-being management. The Group will continue to enhance employees’ health awareness and improve productivity, aiming to further strengthen our ability to earn the trust of our customers as a corporate group.

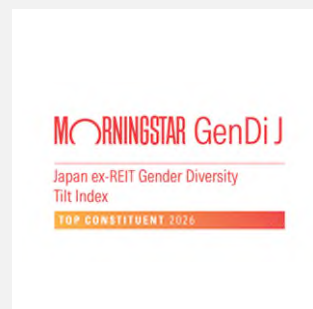

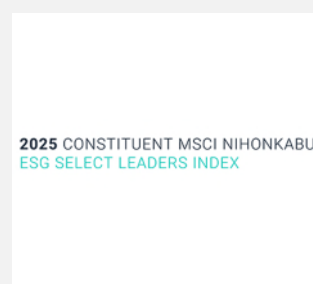

[Our main health management initiatives]

The Haseko Group has formulated the "Haseko Group Health Declaration" and “Health Management Strategy Map” in order to aim to be a group where each individual can work with more energy. We actively communicate these initiatives both internally and externally while striving to maintain and promote the health of our employees.
