

TOA CORPORATION Recognized as a CDP's Annual "Supplier Engagement Leader" for Three Consecutive Years (Highest Rating)

TOA CORPORATION (Headquarters: Shinjuku-ku, Tokyo, President: Takeshi Hayakawa) has been selected as a "Supplier Engagement Leader," the highest rating for three consecutive years in 2025 CDP's annual Supplier Engagement Assessment (SEA).

CDP is a non-profit organization that operates the world's leading environmental disclosure platform. The SEA is intended for companies responding to the CDP climate change questionnaire. The SEA evaluates supplier engagement efforts in the categories of governance, targets, Scope 3 emissions, and value chain engagement.

Note that we also received an "A" in the climate change global score published in December 2025.

In accordance with the "Supply Chain Action Policy" and the "Supply chain code of conduct", we will continue to work with our suppliers to reduce GHG emissions throughout our supply chain and fulfill our social responsibility.

Related Information

Recognized for the second consecutive year as an "A List" company, the highest rating in the field of climate change of CDP 2025 (December 19, 2025)
