The Company's View and Policy Concerning Reduction of Investment Unit

1. The Company's view concerning reduction of investment unit

The Company recognizes the reduction of investment units as an effective measure to promote participation in the stock market by a wide range of investors in order to revitalize the stock market.

2. The Company's policy concerning reduction of investment unit

While the Company will carefully consider a reduction of investment unit by comprehensively taking into account factors such as stock market trends, stock price levels for the Company's stock, and shareholder composition, at the present stage, specific measures and timing for stock splits, etc. have not yet been determined.

(Note) This disclosure was done in accordance with Rule 409 (Disclosure of Lowering Investment Units) of the Securities Listing Regulations stipulated by the Tokyo Stock Exchange because the average investment unit price for the Company's shares, calculated based on the daily closing price over the one-year period preceding the last day of the Company's immediately preceding fiscal year (the fiscal year ended March 31, 2026), was ¥500,000 or more.
