Notice Regarding Selection as a Constituent of the TOPIX (Tokyo Stock Price Index)

Timee, Inc. hereby announces that it has been newly selected as a constituent of the "TOPIX (Tokyo Stock Price Index)" calculated by JPX Market Innovation & Research, Inc. The addition to the index is scheduled for the end of October 2026.

TOPIX is a market benchmark with functionality as an investable index, covering an extensive proportion of the Japanese stock market. It comprises stocks that meet criteria such as liquidity and free-float market capitalization, and is widely used as a benchmark for passive investment management by numerous domestic and international institutional investors.

Going forward, we will continue striving to achieve sustainable growth and enhance corporate value over the medium to long term through constructive dialogue with stakeholders, including shareholders and investors.
