Regarding Disaster Relief Activities Using Drones for the 2026 Kumamoto Earthquake

We extend our deepest sympathies to all those affected by the 2026 Kumamoto Earthquake that occurred on July 28, 2026, and to their families.

Liberaware Co., Ltd. (Headquarters: Chiba City, Chiba Prefecture; Representative Director: Hongkyu Min; hereinafter "the Company"), in collaboration with MAX Kogyo Co., Ltd. (Headquarters: Kitakyushu City, Fukuoka Prefecture; Representative Director and CEO: Tatsumitsu Miyahara; hereinafter "MAX Kogyo"), has commenced disaster relief activities in the affected areas as a member of the private drone disaster prevention organization "JUIDA-D³ (D-Cube)", following a request for cooperation from the Japan UAS Industrial Development Association (JUIDA) in response to the earthquake, which recorded a maximum seismic intensity of 7.

■ Details of Support Activities

Period: From July 29, 2026

Activities:

- Situational awareness and search for survivors at "Aeon Mall Kumamoto"
- Other disaster relief support in the affected areas upon request

■Footage of Aeon Mall Kumamoto Shot by Drone
