Notice Regarding Recording of Gain on Sale of Investment Securities

MEITO CO., LTD. (the “Company”) hereby announces that, during the six months ended September 30, 2026 (from April 1, 2026 to September 30, 2026), it has recorded gain on sale of investment securities as non-operating income and extraordinary income, as outlined below.

1. Recording of Gain on Sale of Investment Securities

With a view to improving asset efficiency and optimizing the use of assets, the Company has been strengthening its efforts to reduce shareholdings, and has recently sold some of its listed securities. Consequently, it has recorded non-operating income and extraordinary income as follows.

(1) Recording of non-operating income

In connection with the sale of two investment securities held by the Company, it has recorded gain on sale of investment securities of 620 million yen as non-operating income for the second quarter of the fiscal year ending March 31, 2027 (from July 1, 2026 to September 30, 2026). As a result, the total amount of non-operating income (gain on sale of investment securities) recorded for the six months ended September 30, 2026 will be 1,020 million yen.

(2) Recording of extraordinary income

In connection with the sale of two investment securities held by the Company, it has recorded gain on sale of investment securities of 1,588 million yen as extraordinary income for the second quarter of the fiscal year ending March 31, 2027. Since no such gain was recorded in the first quarter, extraordinary income for the six months ended September 30, 2026 will total 1,588 million yen.

2. Future Outlook

The gain on sale of investment securities mentioned above has been reflected in the “Notice Regarding Revision to Full-Year Consolidated Financial Results Forecast” announced on August 10, 2026.
