Ichigo THANKS! Monthly Present Program **SAZANKA Aged Roasted Sweet Potato & Soft-Dried Sweet Potato Gift Box**

As announced in the April 14, 2026 release “Conclusion of Ichigo J.League Shareholder Program & Launch of Ichigo THANKS! Monthly Present Program,” Ichigo launched the Ichigo THANKS! Monthly Present program, in which Ichigo offers 50 shareholders the opportunity every month to win special gifts from Ichigo’s agricultural business via lottery. This program is currently scheduled to run from June through December 2026.

For the fifth monthly gift of October 2026, Ichigo is offering 50 shareholders the chance to win via lottery a gift box containing one kilogram of aged roasted sweet potatoes and 300 grams of soft-dried sweet potatoes from SAZANKA, which Ichigo has supported since the launch of its business.

1. SAZANKA Aged Roasted Sweet Potatoes & Soft-Dried Sweet Potatoes

SAZANKA's aged roasted sweet potatoes were named Japan's best at Japan's largest sweet potato competition and have won numerous other food competition awards, earning widespread recognition for their exceptional taste. Using a proprietary aging process, SAZANKA ages its sweet potatoes for three months or more to achieve a Brix level of at least 50. The brand's soft-dried sweet potatoes retain their skins and are made by dehydrating the aged roasted sweet potatoes, concentrating their rich flavor and natural sweetness.

Both varieties will be delivered frozen. We also recommend enjoying them partially thawed as a natural roasted sweet potato "ice cream". We invite shareholders to take this opportunity to try these treats.

SAZANKA

SAZANKA is an aged roasted sweet potato brand that Ichigo has supported since the planning and construction stages of its roasted sweet potato factory. Ichigo Potager, Ichigo's agricultural subsidiary, also supports SAZANKA's sales. A group of 12 producers in Tanocho, Miyazaki City, grows sweet potatoes exclusively for SAZANKA's aged roasted sweet potatoes.
