Notice Regarding Recording of Extraordinary Income from Sale of Investment Securities

Takara Holdings Inc. (the “Company”) hereby announces the following gain on sale of investment securities resulting from the sale of a portion of the investment securities held by the Company.

1. Reason for the sale of investment securities

To reduce strategic shareholdings and improve asset efficiency.

2. Details of the sale of investment securities

(1) Shares sold:	Four listed stocks held by the Company
(2) Period of sale:	From May 13, 2025 to July 4, 2025
(3) Gain on sale of investment securities:	3,147 million yen

3. Outlook

The above gain on sale of investment securities will be recorded as extraordinary income in the consolidated financial statements for the six month ending September 30, 2025.

The gain on sale of investment securities has been included in the consolidated financial forecasts for the fiscal year ending March 31, 2026, which was announced on May 13, 2025.

Forward - Looking Statements

Statements in this document, other than those based on historical fact, concerning the current plans, prospects, strategies and expectations of the Company and its Group represent forecasts of future results. While such statements are based on the conclusions of management according to information available at the time of writing, they reflect many assumptions and opinions derived from information that includes major risks and uncertainties. Actual results may vary significantly from these forecasts due to various factors. Factors that could influence actual results include, but are not limited to, economic conditions, especially trends in consumer spending, as well as exchange rate fluctuations, changes in laws and government systems, pressure from competitors' prices and product strategies, declines in selling power of the Company's existing and new products, disruptions to production, violations of the Company's intellectual property rights, rapid advances in technology and unfavorable verdicts in major litigation
