Notice Regarding the Postponement of the Announcement of Financial Results for the First Quarter of the Fiscal Year Ending March 31, 2027

Takara Holdings Inc. hereby announce that it has decided to postpone the announcement of our financial results for the first quarter of the fiscal year ending March 31, 2027, which had been scheduled for August 7, 2026, as described below.

1.Reason for the Postponement of the Financial Results Announcement

The announcement of the financial results for the first quarter of the fiscal year ending March 31, 2027, has been postponed because certain matters requiring confirmation have been identified, and additional time is expected to be required for the necessary review and verification.

2.Future Schedule

The date of the postponed financial results announcement has not yet been determined. We will promptly disclose the revised announcement date as soon as it is determined.

We sincerely apologize for any inconvenience and concern caused to our shareholders, investors, and other stakeholders, and respectfully ask for your understanding.

Forward - Looking Statements

Statements in this document, other than those based on historical fact, concerning the current plans, prospects, strategies and expectations of the Company represent forecasts of future results. While such statements are based on the conclusions of management according to information available at the time of writing, they reflect many assumptions and opinions derived from information that includes major risks and uncertainties. Actual results may vary significantly from these forecasts due to various factors. Factors that could influence actual results include, but are not limited to, economic conditions, especially trends in consumer spending, as well as exchange rate fluctuations, changes in laws and government systems, pressure from competitors' prices and product strategies, declines in selling power of the Company's existing and new products, disruptions to production, violations of the Company's intellectual property rights, rapid advances in technology and unfavorable verdicts in major litigation.
