# Notice Concerning Acquisition of Shares of Cu:DeTION Company Co., Ltd. (to Make It a Subsidiary)

AMIYAKI TEI Co., Ltd. (the "Company") hereby announces that it has resolved, at a meeting of the Board of Directors held on May 11, 2025, to acquire shares of Cu:DeTION Company Co., Ltd. (hereinafter "Cu:DeTION") and make it a subsidiary of the Company. The details are described below.

#### 1. Reason for acquisition of shares

The Company operates a yakiniku business called "Amiyaki Tei", a yakitori business called "Ganso Yakitoriya Minoji", and a restaurant business called "Kando no Niku to Kome". In order to respond to customers' desire for high quality and tasty red meat, the Company has introduced the "Buying an entire Wagyu cow" system. In addition, the Company has established a system to streamline procurement and provide high-quality red meat and rare parts at reasonable prices by cutting each part by professional chefs at the central kitchens, and to deliver fresh ingredients processed at the central kitchens in Aichi and Kanagawa Prefectures to stores on a daily basis.

In November 2009, the Company acquired all shares of SUEHIRO RESTAURANT SYSTEM Co., Ltd., which operates mainly yakiniku business and restaurant business in the Kanto region, and in January 2014 acquired all shares of ACT GROUP Co., Ltd. (absorbed and merged into SUEHIRO RESTAURANT SYSTEM Co., Ltd., in March 2022). In April 2019, the Company acquired all shares of SUGIE Co., Ltd., with the aim of further accelerating the opening of stores in the central Tokyo area, and in April 2023 acquired all shares of NEW LOOK Co., Ltd., which is based in Yokohama City, in order to expand the number of stores not only in the suburbs but also in the city center in the Kanto region, while demonstrating synergies by improving the operating rate of central kitchens.

Cu:DeTION which the Company will now make a subsidiary, operates 21 directly managed stores, 2 franchise stores, and 1 direct sales store in the center of Kyoto City, including the "CHIFAJA" brand of yakiniku restaurants, the "Kyoto Ramen Takabashi" brand of ramen restaurants, and the "Kyoto Dining MASAYOSHI" brand of steak restaurants.

Currently, AMIYAKI TEI Group (the "Group") operates a total of 288 stores (as of the end of March 2025) in the Chubu, Kanto, and Kansai (Shiga) areas, and the Kyoto area, which is the main area where Cu:DeTION has opened stores, was an area where the Group had not opened any stores before, but with this acquisition of shares, we will be able to gain a foothold for full-scale store openings in the Kansai area in the future and strengthen our operating base. In addition, since Cu:DeTION has a high affinity with the Group's business types and models, such as cutting meat using its own central kitchens, we believe that we can create synergies through the common use of food ingredients and standardization of operations, which will lead to further growth of the Group and enhance the value of the entire Group.
