

**Supplementary Data
for the First Nine Months
of the Fiscal Year Ending
November 30, 2026**

October 8, 2026

Kewpie Corporation

Securities code: 2809

Table of contents

1.	Breakdown of net sales and operating income by segment	1
2.	Factors behind changes in operating income	2
3.	Domestic sales volume, value, and unit price of salad condiments by business category (Kewpie Corporation)	2
4.	Exchange rates (average exchange rates during the period)	2
5.	Changes in market prices for major raw materials	3
6.	Capital investments and main components of selling, general and administrative expenses	3
7.	Summary of non-operating income (expenses) and extraordinary gains (losses)	3
8.	Summary of balance sheets	4
9.	FY2026 Forecast	5

■Notes regarding the information in this document

- The amounts stated in this document are rounded to the nearest 100 million yen when figures are presented in billions of yen.
- There is no change in figures of "Year forecast" in FY 2026 announced on January 14, 2026, but the breakdown of net sales and operating income by segment has been changed.
- Figures for the overseas operations in the third quarter are results for the period from October to June (Australia subsidiary: December - August).
YoY changes overseas of the third quarter of FY2026 include a ¥5.9 billion increase in net sales and a ¥0.8 billion increase in operating income caused by fluctuations of exchange rates.
YoY changes overseas of FY2026 Forecast include a ¥7.6 billion increase in net sales and a ¥1.0 billion increase in operating income caused by fluctuations of exchange rates.

1. Breakdown of net sales and operating income by segment
