Notice Regarding the Inclusion of the Company's Shares in TOPIX (Tokyo Stock Price Index)

We are pleased to announce that Synspective, Inc. (the "Company") has been selected for inclusion as a constituent of TOPIX (Tokyo Stock Price Index), calculated by JPX Market Innovation & Research, Inc., as announced by JPX Market Innovation & Research, Inc. on October 7, 2026.

The Company's shares are scheduled to be included in TOPIX effective October 30, 2026.

TOPIX has been widely used as a market benchmark with functionality as an investable index, covering a wide range of stocks listed on the Japanese market.

Using the opportunity provided by the market restructuring, these series of revisions of TOPIX aim to ensure continuity by taking into account the large amount of assets linked to TOPIX (about JPY 160 trillion as of June 2026) and its wide usage, as well as to further enhance its functionality as an investable index and how accurately it represents the market.
