Polaris Continues to Add Third-Party Hotels With New Hiroshima Property

Polaris Holdings Co., Ltd. (hereinafter referred to as “the Company”) announced today that Fino Co., Ltd. (hereinafter referred to as “Fino”), a subsidiary of the Company, has executed a Memorandum of Amendment to the Fixed-Term Building Lease Reservation Agreement (hereinafter referred to as “the Lease Reservation Agreement”) with GA PARTNERS Co., Ltd. (hereinafter referred to as “GA PARTNERS”) for a new hotel property (hereinafter referred to as the “Property”) to be constructed in Hiroshima city, Hiroshima Prefecture.

1. The Background of the New Hotel Opening

As part of our overall growth strategy, Polaris Group has been strengthening the acquisition of hotel management contracts from both our sponsor, Star Asia Group, and from third-party hotel owners. Once again, this time, with GA PARTNERS, a third-party hotel owner, highly valued our track record in hotel management and agreed to enter into the MOU for a hotel to be developed in Hiroshima city, Hiroshima Prefecture.

The fixed-term building lease agreement (hereinafter referred to as the “Lease Agreement”) to be concluded pursuant to the Lease Reservation Agreement, is expected to be a long-term lease based on a combination of fixed and variable rents. With this agreement, Polaris Group will secure long-term management opportunities while further strengthening its earnings structure by realizing a mid-risk, mid-return type of profitable hotel operations.

The property, in Inari-machi, Minami Ward, in the heart of Hiroshima, offering an excellent location for both business and leisure travelers. It is within walking distance of JR Hiroshima Station and conveniently situated near the Inari-machi tram stop on the newly opened “Ekimae Ohashi Route,” which began operation on August 3, 2025. The property also provides easy access to popular tourist destinations such as Miyajima, the Hiroshima Peace Memorial Park, and the Atomic Bomb Dome.

In addition, our group currently operates “KOKO HOTEL Hiroshima Station” also located within the central city area. We believe this new property will further strengthen our sales and operational synergies within the same area.

Furthermore, the property is planned to be operated under a new lifestyle hotel brand to be launched by our group. With an average guest room size of approximately 25 square meters, larger than that of a typical limited-service hotel, the property will be designed to flexibly accommodate both domestic leisure travelers and inbound demand. In addition, the FF&E (furniture, fixtures, and equipment) and interior design will feature distinctive and original aesthetics. By offering enhanced facilities such as a restaurant, a lobby lounge, and a bar on the top floor, we aim to further differentiate this hotel from others in the market.
