Notice Regarding Revision of Dividend Forecast (80th Anniversary Commemorative Dividend)

We hereby announce that at a Board of Directors meeting held today, the Company resolved to revise its forecast for the year-end dividend for the fiscal year ending September 2026 as follows.

Details

1. Reason for the Revision of the Dividend Forecast

This fiscal year is our 80th fiscal year since incorporation, and we will celebrate our 80th anniversary of our foundation on August 1, 2027. This milestone is entirely due to the long-standing support of our shareholders and all our stakeholders, for which we express our heartfelt gratitude.

Accordingly, to express our gratitude to our shareholders, we have decided to pay a commemorative dividend of 10 yen per share as part of the year-end dividend for the fiscal year ending September 2026.

The Company carried out a 2-for-1 stock split of its common stock effective July 1, 2026. As a result, the year-end dividend per share, calculated on a pre-split basis, consists of a regular dividend of 30 yen and a commemorative dividend of 20 yen; combined with the interim dividend of 30 yen, the total annual dividend amounts to 80 yen.

Furthermore, regarding our dividend policy for the “SANYO VISION 2028” period, we maintain a dividend payout ratio of 30% or higher and continuing to pay progressive dividends. Going forward, we will continue to pay dividends based on this policy, separate from this commemorative dividend.
