TEL: +81-3-6455-3388

Scheduled Issue Date of Securities Report: October 23, 2026  
Scheduled Commencement Date of Cash Distribution: October 23, 2026  
Supplementary Presentation Material on Financial Results: Yes  
Presentation Meeting of Financial Results: Yes (for institutional investors and analysts)

(Figures less than one million yen are rounded down)

### 1. Results of Operating and Assets for the Fiscal Period Ended July 31, 2026 (February 1, 2026 - July 31, 2026)

#### (1) Operating Results

(Percentages show changes compared to the previous period)

|                            | Operating Revenue |       | Operating Profit |       | Ordinary Profit |       | Profit      |       |
|----------------------------|-------------------|-------|------------------|-------|-----------------|-------|-------------|-------|
|                            | Million yen       | %     | Million yen      | %     | Million yen     | %     | Million yen | %     |
| Period Ended Jul. 31, 2026 | 12,975            | (5.3) | 6,405            | (7.5) | 5,278           | (6.0) | 5,269       | (6.0) |
| Period Ended Jan. 31, 2026 | 12,319            | (0.9) | 5,959            | (3.5) | 4,978           | (2.4) | 4,969       | (2.4) |

|                            | Profit Per Unit |  | Return on Equity (ROE) |  | Return on Assets (ROA) |  | Ordinary Profit to Operating Revenue Ratio |  |
|----------------------------|-----------------|--|------------------------|--|------------------------|--|--------------------------------------------|--|
|                            | Yen             |  | %                      |  | %                      |  | %                                          |  |
| Period Ended Jul. 31, 2026 | 2,259           |  | 3.3                    |  | 1.5                    |  | 40.7                                       |  |
| Period Ended Jan. 31, 2026 | 2,128           |  | 3.1                    |  | 1.4                    |  | 40.4                                       |  |

(Note) A three-for-one split of the investment units has been implemented, with January 31, 2026 as the record date for the split of investment units and February 1, 2026 as the effective date. Profit per unit is calculated as if the investment unit split had occurred at the beginning of the fiscal period ended July 31, 2025 (it is calculated using the day-weighted average number of investment units for the period (2,334,891 units for the fiscal period ended January 31, 2026)).

#### (2) Cash Distributions

|                            | Cash Distribution Per Unit (excluding Cash Distribution in Excess of Profit) | Total Cash Distributions | Cash Distribution in Excess of Profit Per Unit | Total Cash Distributions in Excess of Profit | Payout Ratio | Distribution Ratio to Net Asset |
|----------------------------|------------------------------------------------------------------------------|--------------------------|------------------------------------------------|----------------------------------------------|--------------|---------------------------------|
|                            | Yen                                                                          | Million yen              | Yen                                            | Million yen                                  | %            | %                               |
| Period Ended Jul. 31, 2026 | 2,102                                                                        | 4,901                    | —                                              | —                                            | 93.0         | 3.0                             |
| Period Ended Jan. 31, 2026 | 6,115                                                                        | 4,752                    | —                                              | —                                            | 95.6         | 2.9                             |

Note1: The differences of Profit and Total Cash Distributions are as follows:

Period ended Jan 31, 2026: the reversal of reserve for reduction entry (32 million yen) and subtracting the provision of reserve for reduction entry (248 million yen).

Period ended Jul 31, 2026: subtracting the provision of reserve for reduction entry (367 million yen).

Note2: Payout ratio is calculated as follows :

$\text{Payout ratio} = \text{Total distributions} \div \text{Profit} \times 100$  (Payout ratio is rounded down to the first decimal place)

#### (3) Financial Position

|                            | Total Assets | Net Assets  | Capital Adequacy Ratio | Net Assets Per Unit |
|----------------------------|--------------|-------------|------------------------|---------------------|
|                            | Million yen  | Million yen | %                      | Yen                 |
| Period Ended Jul. 31, 2026 | 356,406      | 161,748     | 45.4                   | 69,366              |
| Period Ended Jan. 31, 2026 | 356,932      | 161,232     | 45.2                   | 69,145              |

(Note) A three-for-one split of the investment units has been implemented, with January 31, 2026 as the record date for the split of investment units and February 1, 2026 as the effective date. Net assets per unit is calculated as if the investment unit split had occurred at the beginning of the fiscal period ended January 31, 2026.

## (4) Cash Flows

|                               | Cash Flows from<br>Operating Activities | Cash Flows from<br>Investing Activities | Cash Flows from<br>Financing Activities | Cash and<br>Cash Equivalents |
|-------------------------------|-----------------------------------------|-----------------------------------------|-----------------------------------------|------------------------------|
|                               | Million yen                             | Million yen                             | Million yen                             | Million yen                  |
| Period Ended<br>Jul. 31, 2026 | 8,947                                   | △3,282                                  | △6,324                                  | 17,562                       |
| Period Ended<br>Jan. 31, 2026 | 9,918                                   | △5,069                                  | △5,278                                  | 18,223                       |

## 2. Forecasts of Financial Results for the period Ending January 31, 2027 and July 31, 2027

(Percentages show changes compared to the previous period)

|                               | Operating<br>Revenue | Operating Profit | Ordinary Profit | Profit          | Cash Distribution<br>Per Unit<br>(excluding Cash<br>Distribution<br>in Excess of<br>Profit) | Cash Distribution<br>in Excess of<br>Profit<br>Per Unit |
|-------------------------------|----------------------|------------------|-----------------|-----------------|---------------------------------------------------------------------------------------------|---------------------------------------------------------|
|                               | Million yen (%)      | Million yen (%)  | Million yen (%) | Million yen (%) | Yen                                                                                         | Yen                                                     |
| Period Ended<br>Jan. 31, 2027 | 13,526 (4.3)         | 6,779 (5.8)      | 5,510 (4.4)     | 5,500 (4.4)     | 2,139                                                                                       | —                                                       |
| Period Ended<br>Jul. 31, 2027 | 13,528 (0.0)         | 6,974 (2.9)      | 5,687 (3.2)     | 5,677 (3.2)     | 2,139                                                                                       | —                                                       |

(Reference) Forecast of profit per unit for the period ending Jan 31, 2027 : 2,249 yen (Forecasted profit per unit ÷ forecasted units issued at end of period)

Forecast of profit per unit for the period ending Jul 31, 2027 : 2,322 yen (Forecasted profit per unit ÷ forecasted units issued at end of period)

(Note) Cash distributions per unit for the period ending Jan 31, 2027 and Jul 31, 2027 are calculated based on the amount obtained by adding the reversal of voluntary retained earnings (92 million yen and 111 million yen) to the profit and subtracting the provision of new reserve for reduction entry (363 million yen and 559 million yen).

## 3. Others

## (1) Changes in accounting policies, changes in accounting estimates, and retrospective restatement

- a. Changes in accounting policies due to reversions in accounting standard: None
- b. Changes not mentioned in a. above: None
- c. Changes in accounting estimates: None
- d. Retrospective Restatement: None

## (2) The number of investment units issued

## a. The number of investment units issued at end of period (including treasury units)

Fiscal Period Ended Jul. 31, 2026 : 2,331,795 units  
Fiscal Period Ended Jan. 31, 2026 : 777,265 units

## b. The number of treasury units at end of period

Fiscal Period Ended Jul. 31, 2026 : - units  
Fiscal Period Ended Jan. 31, 2026 : - units
