Notice Concerning Obtainment of CASBEE Certifications for Real Estate

Samty Residential Investment Corporation (“Samty Residential”) announces that it today received CASBEE Certifications for Real Estate for owned three properties as follows.

1. Overview of CASBEE Certifications for Real Estate

CASBEE (Comprehensive Assessment System for Built Environment Efficiency) (the “Certification System”) is a method for evaluating and rating the environmental performance of buildings. The system rates the overall environmental performance of buildings from the following perspectives: the reduction of environmental loads such as conservation of energy and resources as well as the quality of a building including interior comfort and scenic aesthetics. The system rankings are rated in four scales: “Rank S”, “Rank A”, “Rank B+”, and “Rank B” for buildings with one or more years old after completion.

Please refer to the website operated by IBEC for details of the Certification System (<https://www.ibec.or.jp/CASBEE/english/index.htm>).

2. Rank of CASBEE Certifications for Real Estate
