Regarding the Partial Correction of " Notice of Issuance of Share Acquisition Rights (Paid-in Stock Options)"

Regarding the " Notice of Issuance of Share Acquisition Rights (Paid-in Stock Options)" announced by Loadstar Capital K.K. (the "Company") on March 27, 2026, we hereby inform you that there are some matters that need to be corrected in part of its content as follows. The corrected portions are underlined.

I. Purpose and Reason for Share Acquisition Rights

Aiming to expand the Company's business performance and maximize the corporate value, these share acquisition rights will be issued to directors of the Company in exchange for cash in order to further increase their motivation and morale, and to enhance the solidarity of the Company.

As stipulated in 'II. Terms of Issuance of New Share Acquisition Rights 3. (6) Conditions for Exercise of New Share Acquisition Rights,' these share acquisition rights come with mandatory exercise conditions and performance achievement conditions. This scheme is designed so that the Company's directors, who are the recipients, bear certain responsibility for the Company's stock price decline and performance achievement. This allows them to share the risk of stock price fluctuations with shareholders and provides incentives for the expansion of the Company's performance.

(NOTE) Terms and conditions for exercising stock acquisition rights

- a. If the average closing price of the ordinary transactions of our common stock on the Tokyo Stock Exchange on each trading day during a calendar month from the first day to the last day of the exercise period falls below the amount that is obtained by multiplying the closing price of 2,950 yen by 30% on the trading day preceding the date of the Board of Directors resolution even once, the holders of the share acquisition rights are obliged to exercise all the remaining share acquisition rights by the end of the exercise period. However, this shall not apply to the following cases.
 - (i) If our disclosed information proves to be materially false.
 - (ii) In the event that the Company is found to have failed to properly disclose material facts that should have been disclosed in accordance with laws and regulations and the rules of the Tokyo Stock Exchange.
 - (iii) If we are delisted, go bankrupt, or otherwise undergo a major change in circumstances that were assumed on the date of the allotment.
 - (iv) In other cases that the Company engages in any conduct that is objectively deemed detrimental to the trust of the holders of share acquisition rights.
- b. The share acquisition rights may be exercised only if the Company's consolidated income before income taxes (or income before income taxes if consolidated financial statements are not prepared)

in the Consolidated Statements of Income reaches 20 billion yen or more in any fiscal year from the fiscal year ending December 2028 to the fiscal year ending December 2036. However, if changes in applicable accounting standards or events such as corporate acquisitions that significantly impact the Group's performance occur, and the Board of Directors determines that it is inappropriate to make judgments based on the actual figures stated in the Company's Consolidated Statements of Income, the Company shall make reasonable adjustments to the actual figures used for judgment by excluding the impact of such corporate acquisitions. Furthermore, if there are significant changes in the concept or calculation period of the indicators to be referred to due to the application of International Financial Reporting Standards, changes in the fiscal year-end, etc., the Board of Directors shall separately determine the indicators or calculation period to be referred to.

- c. The holder of the share acquisition rights is required to be a director, Audit & Supervisory Board Member (including those who hold similar positions when such positions are created due to legal revisions) or employee of the Company or its affiliates even at the time of the exercise of the share acquisition rights. Furthermore, to ensure the effectiveness of the mandatory exercise clause attached to these share acquisition rights, the holders of these rights shall not abandon them, and even after losing the aforementioned position, the mandatory exercise clause shall continue to apply. The company shall not voluntarily acquire these share acquisition rights in a manner that would impair the effectiveness of this mandatory exercise clause. In the event of any matters not specified in the "Share Acquisition Rights Allotment Agreement" to be concluded between the company and the persons who will hold the share acquisition rights, or in these terms, the Board of Directors shall decide how to address such matters.
- d. The heirs of the holders may not exercise the share acquisition rights.
- e. If the total number of issued shares of the Company exceeds the number of authorized shares at the time of exercise of the share acquisition rights, such share acquisition rights may not be exercised.
- f. Each share acquisition right may not be exercised less than one unit.
- g. Other terms and conditions shall be set forth in the "Share Acquisition Rights Allotment Agreement" to be concluded between the Company and the person to whom share acquisition rights are allotted in accordance with a resolution of the Board of Directors.
