Notice Concerning Dividend Forecasts (Effective Increase in Dividend)

Loadstar Capital K.K. (the "Company") hereby announces that today its Board of Directors resolved to conduct an allotment of shares without contribution utilizing treasury shares held by the Company, and that, in connection therewith, the dividend forecast for the fiscal year ending December 2026 will effectively represent an increase in dividends.

I. Reason for the Effective Increase in Dividend

The company has recognized the return of profits to its shareholders as one of the key management priorities. Our basic policy is 'Loadstar strives to improve corporate value and shareholder profit by expanding business performance,' and our dividend policy is to stably and continuously return profits to shareholders through dividends, with a target payout ratio of 18%.

We plan to conduct an allotment of shares without contribution of treasury shares at a ratio of 0.2 shares per common share on July 1, 2026. Regarding the dividend for the fiscal year ending December 2026, we will maintain the planned annual dividend forecast of 98 yen per share, which will result in a substantial 20% increase in dividends (payout ratio of 21.7%).

II. Dividend forecast for the fiscal year ending December 2026
