GA technologies Co., Ltd.

## **Shunji Goto Appointed Executive Officer and VP of Finance at GA technologies**

Shunji Goto has been appointed as an executive officer and VP of Finance at GA technologies Co., Ltd. (“GA technologies”; Headquarters: Minato-ku, Tokyo; Representative Director, President, Executive Officer, and CEO : Ryo Higuchi; Securities code: 3491) effective December 1, 2025.

Goto began his career at Mitsubishi Corporation, where he worked to enhance corporate value in the healthcare domain through a combination of domestic and overseas business development, investment, and secondments. He later joined Paidy Inc., which operates a buy-now, pay-later service. As Paidy’s VP of Finance, he contributed to structuring asset finance to secure operating and growth capital and advancing the company toward profitability.

At the Company, Goto will work to drive sustainable business growth by leading finance strategy to support the company’s next stage of expansion. He will also promote cross-departmental initiatives built on close coordination and collaboration with frontline business teams to achieve management that delivers high capital efficiency and profitability.

### **New Executive Officer**

#### **Profile**

Shunji Goto, Executive Officer and VP of Finance

Upon graduating from university, Goto joined Mitsubishi Corporation in 2009. He engaged in domestic and overseas business development, investment, and new business creation in the healthcare domain, working in Japan, the United States, and Southeast Asia. He later joined Paidy Inc. in 2020 and was appointed VP of Finance in 2022, a position in which he led the finance, FP&A, and treasury functions. He joined GA technologies in 2025.

#### Comment

I believe that the GA technologies group's business domains are areas in which finance can serve as a major driver of growth. Leveraging my experience and expertise in both business and finance, I will coordinate and collaborate closely with frontline business teams to achieve management that delivers high capital efficiency and profitability.
