Notice Concerning Conclusion of Memorandum of Understanding (MoU) with Century Financial Consultancy LLC to Strengthen IR activities in the United Arab Emirates, etc.

KLab Inc. (the "Company") announced that, as of today, it has concluded a Memorandum of Understanding (MoU) with Century Financial Consultancy LLC (hereinafter referred to as "Century"), a member of a major financial group based in the United Arab Emirates (UAE), for the purposes of promoting IR activities and business collaboration in the UAE and Japanese markets.

Through the conclusion of this MoU, the Company will accelerate its IR activities in the UAE, Japan, and the Middle East region, and strengthen its relationships with local investors and business partners.

The Company has conducted IR activities in the UAE several times. As part of these activities, the Company rented out a VIP booth during the Formula 1 Etihad Airways Abu Dhabi Grand Prix 2025 and conducted IR activities targeting Century's top investors. As the name recognition of the Company in the region has increased through these activities, it has received an increase in inquiries not only from the UAE, but also from various parts of the Middle East, including Saudi Arabia. Century is one of the UAE's leading financial groups, with many clients including local wealthy individuals and major institutional investors. The company also provides marketing and relationship-building support to companies in the UAE and the Middle East.
