## (2) Clip Studio Paint churn rate (paid subscriptions)

(Unit: %)

	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
2024	6.1	5.8	7.8	6.5	4.5	5.3	4.8	4.6	5.0	4.6	4.8	4.8
2025	4.5	4.4	5.1	4.7	4.4	5.0	4.5	4.5	4.9	4.6	4.5	4.6
2026	4.6	4.3	5.4	4.9	4.5							

Note: The cancellation rate (customer churn rate) based on the number of customers with paid subscription contracts for the Clip Studio Paint. It is calculated based on the number of cancellations during the month relative to the number of subscriptions as of the end of the previous month; if one customer has multiple subscriptions, each subscription is calculated as a separate subscription. In addition, due to the nature of the product, which offers monthly subscription plans that can be used only when necessary, in addition to annual subscription plans, there are cases where the same customer repeatedly subscribes and cancels subscriptions, and all these instances are included in the calculation.

Following the release of the major version update (Ver. 5.0) of Clip Studio Paint launched in March 2026, the churn rate temporarily increased and has since stabilized.
