GungHo Online Entertainment, Inc.

GungHo's highly popular puzzle RPG "Puzzle & Dragons" has exceeded 63 million downloads on a cumulative basis in Japan.

GungHo Online Entertainment, Inc. ("GungHo") (headquartered in Chiyoda-ku, Tokyo, Japan) (Representative Director, President and CEO: Kazuki Morishita) today announced that the puzzle role-playing game (RPG) "Puzzle & Dragons", which is available on iOS and Android™, has exceeded 63 million downloads on a cumulative basis in Japan since its release.

"Puzzle & Dragons" is currently played by users in 6 countries and regions including Japan. The number of users has been increasing steadily in the global market, and it achieved 15 million downloads in North America comprising the U.S. and Canada, 3 million downloads in Hong Kong and Taiwan, and 3 million downloads in South Korea as well.

We have expanded "Puzzle & Dragons" widely in Japan other than itself, by offering smartphone puzzle competitive game "Puzzle & Dragons Battle", in which users can enjoy competing with other players in real-time, and "Puzzle & Dragons Story", which is available on Apple Arcade, as well as publishing manga by Shogakukan, broadcasting TV program on TV Tokyo, holding e-sport tournaments authorized by JeSU.

The game has been played by a significant number of users, even after the passage of 13 years since its release on February 20, 2012. As a result, the cumulative number of downloads in Japan has exceeded 63 million on April 30, 2025 on an iOS version and Android version combined basis.

We at GungHo will strive to create high-quality game contents that can be fully enjoyed by game users around the world and expand our business globally, under the philosophy of "pursuing business operations to take on challenges and create new products."
