③ Business constraints etc., from belonging to the corporate group of the parent company

There are no particular business constraints from the parent company and the Company secures independence from the parent company on matters relating to management.

④ Views and measures to ensure independence from parent company, etc.

The Company preemptively notifies GMO Internet Group, Inc. on important matters to be resolved in conducting its business activities. Decisions are made independently on all operations such as sales activities for each of the businesses. In addition, concurrent positions held by Directors from GMO Internet Group do not impede the Company reaching its own decisions on management matters. Thus, the Companies believes that independence of management is ensured.

3. Matters concerning transactions with controlling shareholders etc

There are no important transactions to be disclosed.

4 . Implementation of measures to protect minority shareholders in transactions etc. with controlling shareholders

Transactions that the Company carries out with GMO Internet Group are carefully considered by comparing the terms and conditions with same, or similar, transactions with third parties and the appropriateness of the conditions and contents of the transaction from the perspective of protection of the interests of minority shareholders, which encompasses new transactions at the time of commencement as well as at the time of extending existing transactions. More concretely, a comprehensive comparison is made with third-party transaction on a periodic basis and the suitability of the conditions is reported to the Board of Directors meeting that is attended by external Directors who are independent from the parent company.

Important transactions and actions in which there are conflicts of interest between controlling shareholders and minority shareholders are deliberated and considered at the Special Committee, comprised of independent members including independent external Directors. The Board of Directors then reaches a resolution based on the Special Committee's recommendations.
