Travelko Launches Integration with Agoda for Overseas Air Tickets Enhancing Convenience through Expanded Booking Site and Price Options

On February 18, 2026 (Wednesday), Travelko (<https://www.tour.ne.jp/>), a travel comparison site operated by OpenDoor Inc. (Head Office: Minato-ku, Tokyo; President and Representative Director: Daisuke Sekine), began an integration with Agoda, a travel booking website operated by Agoda Company Pte. Ltd. (Head Office: Singapore; CEO: Omri Morgenshtern), for Travelko's overseas air tickets comparison service.

Integration with Agoda Further Expands Booking and Pricing Options

Travelko's overseas air tickets comparison service allows users to search and compare air tickets offered by multiple booking sites all at once.

Until now, Travelko has featured Agoda's products in its domestic and international hotel comparison services. As of February 18, 2026, Travelko has expanded this partnership to include its overseas air tickets comparison service.

Through this integration, more than 130,000 flight routes offered by Agoda are now searchable and comparable on Travelko's overseas air tickets platform. This enhancement significantly broadens users' choices of booking sites and prices, further improving convenience and flexibility.

Travelko remains committed to a thorough customer-centric approach and will continue to prioritize delivering services that promptly and accurately respond to the diverse needs of all customers, striving to provide even greater satisfaction.
