Notice Concerning Acquisition of Non-current Assets

THE PACK CORPORATION (the "Company") hereby announces that it acquired fixed assets on June 17, 2026, as described below.
Although this matter does not fall under the timely disclosure standards, we have decided to disclose it voluntarily as we believe it contains useful information for our future business development.

1. Reason for acquisition

The current Nara factory is over 50 years old, and this new facility will be used for reconstruction to strengthen future production capacity, improve the working environment, and reduce manpower and labor through factory automation.

2. Details of assets to be acquired

Purpose	Factory site
Area	65,110.52 ㎡
Location	Shinjo-cho, Yamato-Koriyama City, Nara Prefecture
Acquisition cost	3,634,055,074 Yen
Financial plan	Own funds

3. Overview of the counterparty

The counterparty is an individual, and we will refrain from disclosing any details due to confidentiality with them. There are no capital, personnel, or business relationships between our company and the counterparty, and they are not a related party of our company.

4. Timetable for acquisition

June 17,2026

5. Future outlook

We anticipate that this matter will have a minor impact on our consolidated financial results for the fiscal year ending December 2026. We will promptly disclose any further matters that require disclosure in the future.
