Regarding Information Posted on Internet Message Boards Concerning Our Company

We hereby announce that on April 2, 2026, information regarding our company that is inconsistent with the facts was confirmed on the message board of “Yahoo! Japan Finance.”

<Information Regarding Our Company That Does Not Correspond to the Facts>

- Our Vietnamese affiliate (production facility) has suspended operations due to energy shortages
- This information was heard from our public relations department

This information was not released by our company, and the content is not factual. Our Vietnamese affiliate is currently operating as usual, and there is absolutely no truth to the claim that our Public Relations Department communicated such information to the outside.

Going forward, we will continue to comply with laws and regulations as well as timely disclosure rules, and we will ensure the accurate disclosure of important facts through official announcements, disclosure materials, our website, and other channels.
