Note: The Company conducted a 2-for-1 stock split of its common stock on July 1, 2026. The payment of the interim dividend for the fiscal year ending December 31, 2026, for which June 30, 2026 is the record date, will be made based on the number of shares prior to the stock split.

2. Reason for the revision

After carefully considering its basic policy for shareholder returns, taking into account the upward revision to its earnings forecast announced today, as well as its future business strategy, future cash flows, and desired capital structure, the Company determined that it was possible to make an upward revision to the year-end dividend forecast. As a result, the annual dividend for the fiscal year ending December 31, 2026 is expected to be ¥80 per share, calculated on a pre-stock-split basis.
