### **Notice Concerning Ransomware Incident at Consolidated Subsidiary**

We hereby announce that our local subsidiary in Vietnam, DAINICHI COLOR VIETNAM CO., LTD. (the “Subsidiary”), has experienced unauthorized access by a third party, resulting in a ransomware infection of its internal servers and related systems.

We sincerely apologize for the significant concern and inconvenience this has caused to our customers, business partners, and all other relevant parties.

The facts and status confirmed at this time are as follows.

#### **1. Background and Overview**

On December 15, 2025, we confirmed that files on servers and PCs within the Subsidiary’s internal system had been encrypted and rendered unreadable.

Upon investigation, it was determined that this incident was caused by ransomware.

#### **2. Current Status of Response**

Upon confirmation of the damage, the affected devices at the Subsidiary were immediately disconnected from the internal network and the Internet, and measures were taken to prevent the spread of the infection.

We are currently responding to the situation and working toward recovery by establishing a support structure, including the dispatch of our IT specialists.

#### **3. Information Leakage Status**

We are currently confirming the details.

4. Impact on Operations and Financial Results

Major operations at the Subsidiary, such as manufacturing and shipping, have not been affected, and operations are continuing as usual.

We expect the impact of this incident on our group's consolidated financial results to be minor. However, should any matters requiring disclosure arise in the future, we will promptly make an announcement.
