### **Notice of Dividend Receipt from Equity-Method Affiliate**

UBE Corporation hereby announces that it expects to receive dividends from Mitsubishi UBE Cement Corporation due to a resolution to pay dividends at today's annual general meeting of shareholders of Mitsubishi UBE Cement Corporation, an equity method affiliate.

#### **1. Detail**

The company expects to receive dividends of 15,149 million yen from Mitsubishi UBE Cement Corporation, an equity method affiliate. The scheduled date for receiving these dividends is June 30, 2025.

#### **2. Impact on Consolidated Financial Results for the Fiscal Year Ending March 31, 2026**

In the non-consolidated financial statements for the first quarter of the fiscal year ending March 2026, an amount of 8,183 million yen sourced from retained earnings will be recorded as non-operating income under dividend income, while an amount of 6,965 million yen sourced from capital surplus will be deducted from the book value of affiliated company shares. As these dividends are from an equity-method affiliate, they will not impact the consolidated profit and loss for the first quarter or the full fiscal year ending March 2026.
