### **(Update on Disclosure) Notice Regarding Construction of New Plant**

Tri Chemical Laboratories Inc. has been moving forward with the construction of a new plant in Minami-Alps City, Yamanashi Prefecture, as announced in the “Notice Regarding Commencement of Studies for the Construction of New Plant” dated December 15, 2022. Now, the company is pleased to announce that the completion ceremony for the new plant was successfully held today.

We are profoundly grateful for the considerable efforts and cooperation of everyone involved, without which this would not have been possible.

On this occasion, all our officers and employees are committed to making sincere efforts to continue to meet your expectations.

We sincerely appreciate your continued support.

#### **1. Overview of the New Plant**

Name	Minami-Alps Plant
Address	1020-1 Shimoimai, Minami-Alps City, Yamanashi Prefecture
Site area	Approx. 30,136 m <sup>2</sup>
