#### Proposal 3: Election of three (3) Audit & Supervisory Board Members

At the conclusion of this meeting, the terms of office of all four (4) Audit & Supervisory Board Members will expire, and Yutaka Furui will resign as Audit & Supervisory Board Member.

Considering its current audit structure, including collaborations with the internal audit segment, the Company judges that it can maintain the effectiveness of audits by the Audit & Supervisory Board even with decreasing number of Board Members. Accordingly, the Company proposes a reduction in the number of Audit & Supervisory Board Members by one and the election of three Audit & Supervisory Board Members (including two External Audit & Supervisory Board Members).

Moreover, prior consent of the Audit & Supervisory Board has been obtained for this proposal. The candidates for Audit & Supervisory Board Member are as follows:

If their reelection is approved, the Company plans for their designation as independent officers to continue.
- 5. The Company has entered into a directors and officers liability insurance policy as provided for in Article 430-3, paragraph (1) of the Companies Act with an insurance company. The policy covers losses that may arise when the insured, including the Company's Audit & Supervisory Board Members, assumes liability incurred in the course of the performance of duties, or receipt of claims pertaining to the pursuit of such liability (however, cases such as those arising from the performance of an illegal act with full knowledge of its illegality are excluded from coverage). Furthermore, the Company plans to renew the policy with the same conditions at the time of contract renewal.
