Notice Concerning Selection as a Constituent of the "JPX Startup Acceleration 100 Index"

HUMAN MADE Inc. (the “Company”) hereby announces that it has been selected as a constituent of the "JPX Startup Acceleration 100 Index" calculated by JPX Market Innovation & Research, Inc.

This index is a stock price index composed of 100 companies with high growth potential, targeting stocks listed on the TSE Growth Market and stocks for a certain period after transferring from the TSE Growth Market to another market. In the selection process, two indicators, sales growth rate and market capitalization growth rate, are used to measure the growth potential of startup companies.

The results of the periodic selection for the constituents of this index were announced on July 7, 2026, and the Company's stock has been included as a constituent since July 31, 2026.

Under the Company’s purpose “CULTIVATE CULTURE”, we nurture culture sparked by human inspiration and craft, aiming to grow it into Japan’s next iconic creative industry following manga, anime, and games. Through our products and worldview centered around the HUMAN MADE brand, we operate our business to deliver exciting experiences to our customers around the world.

We view this selection as an evaluation of our past growth and efforts to improve corporate value. We will continue to strive for further growth and the enhancement of corporate value to meet the expectations of all our stakeholders, including shareholders and investors.
