ASKA Continues Inclusion in the ESG Investment Indices “FTSE JPX Blossom Japan Index” and “FTSE JPX Blossom Japan Sector Relative Index”

TOKYO, July 13, 2026 - ASKA Pharmaceutical Holdings Co., Ltd. (TSE: 4886, Head Office: Minato-ku, Tokyo / President, Representative Director: Sohta Yamaguchi, hereinafter the "Company") hereby announces that it has been selected once again as a constituent of the FTSE JPX Blossom Japan Index and the FTSE JPX Blossom Japan Sector Relative Index, two ESG (Environmental, Social and Governance) investment indices adopted by Japan's Government Pension Investment Fund (GPIF).

FTSE JPX Blossom Japan Index (Selected for the fourth consecutive year since 2023)

Created by the global index and data provider FTSE Russell, the FTSE JPX Blossom Japan Index is designed as an industry neutral benchmark that reflects the performance of companies demonstrating specific Environmental, Social and Governance (ESG) practices in Japan.

FTSE Russell evaluations are based on performance in areas such as Corporate Governance, Health & Safety, Anti-Corruption and Climate Change. Businesses included in the FTSE JPX Blossom Japan Index meet a variety of environmental, social and governance criteria.

FTSE JPX Blossom Japan Sector Relative Index (Selected for the fifth consecutive year since 2022)

The FTSE JPX Blossom Japan Sector Relative Index is designed as a sector neutral benchmark that reflects the performance of companies demonstrating specific Environmental, Social and Governance (ESG) practices in Japan. The index selects companies with higher ESG Ratings within the top 50% of each sector and supports climate transition to a low carbon economy by evaluating companies' climate governance and climate change efforts via the Transition Pathway Initiative's Management Quality Score.

Guided by its corporate philosophy, "Contribute toward the improvement of people's health and progress in society through the development of innovative products," the Company will continue to actively promote ESG initiatives in pursuit of sustainable growth and the enhancement of corporate value over the medium to long term.
