Notice Regarding the Impact of the 2026 Kumamoto Earthquake

We would like to express our heartfelt sympathies to all those affected by the 2026 Kumamoto Earthquake, which occurred on July 28, 2026.

With respect to the offices, power plants, and construction sites of the Group in the Kyushu area, based on the information gathered, no personal injuries or facility damage attributable to the impact of this earthquake have been confirmed as of the date of this announcement.

Should any significant damage or other issues be identified as a result of on-site inspections and other assessments going forward, the relevant information is expected to be disclosed in a timely manner.
