Notice Concerning Completion of Series A Financing Round of MiRESSO Co., Ltd.

PACIFIC METALS CO., LTD. (the “Company”) has concluded a capital and business alliance agreement with MiRESSO Co., Ltd. (“MiRESSO”) on July 29, 2025 regarding the commercialization of the “beryllium production and sales business” and “technology platform business for low-temperature refining technology,” has subscribed to a third-party allotment of shares totaling 1.5 billion yen as an investment in the construction of the pilot plant “BETA” (Beryllium Testing plant in Aomori), and has participated in the Series A financing round conducted by MiRESSO with multiple investors as subscribers.

The Company hereby announces that MiRESSO has completed the Series A financing round with a total amount of 4.23 billion yen.

With the funds raised through the Series A financing round, the Company will proceed with the construction of “BETA” at its manufacturing works (Address: 5-2 Toyama Shinden, Kawaragi, Hachinohe City, Aomori, Japan), aiming to commence operations in fiscal year 2027.

For further details, please refer to MiRESSO’s website.
