2. Reason

While we believe that it is necessary to increase our internal reserves in order to make new future investments in each of our asset classes, we also recognize the importance of providing an appropriate return to shareholders and have adopted a dividend policy, which is to determine the amount of dividends based on the Dividend on Equity Ratio (DoE).

The interim dividend for the fiscal year ending December 31, 2026 is JPY 18.50 per share as per our forecast announced on February 10, 2026. In our dividend forecast the year-end dividend is JPY 18.50, the difference between the interim dividend of JPY 18.50 and the annual dividend of JPY 37.00. For the fiscal year ending December 31, 2026, the dividend amount will be determined based on a DoE of 2%.
