1. Overview of Operating Results

(1) Overview of Operating Results

The overview of the consolidated operating results is provided in the presentation material made available today on the Company's official website (<https://www.st-grp.co.jp/english/>).

(2) Overview of Financial Position

Total assets as of the end of the first quarter of the current consolidated fiscal year increased by 2,406 million yen compared to the end of the previous consolidated fiscal year, reaching 308,398 million yen. This was primarily due to increases of 6,158 million yen in inventory, such as raw materials and supplies, 1,172 million yen in investment securities, and 632 million yen in buildings and structures, despite decreases of 4,828 million yen in cash and deposits and 1,155 million yen in other current assets such as accounts receivable - other.

Liabilities increased by 860 million yen compared to the end of the previous consolidated fiscal year, totaling 212,610 million yen. This was primarily due to an increase of 8,062 million yen in short-term borrowings, despite decreases of 4,678 million yen in other current liabilities such as accrued expenses, and 3,260 million yen in long-term borrowings. Net assets totaled 95,787 million yen, and the equity-to-asset ratio stood at 29.9%.
