Notice Regarding Selection as a Constituent of the “JPX Start-Up Acceleration 100 Index”

Bengo4.com, Inc. hereby announces that it has been selected as a constituent of the “JPX Start-Up Acceleration 100 Index,” calculated by JPX Market Innovation & Research, Inc.

The “JPX Start-Up Acceleration 100 Index” is a stock price index composed of 100 leading high-growth startup companies in Japan. It targets issues listed on the TSE Growth Market and issues within a certain period after transferring from said market. For selection, sales growth rate (20% or more year-on-year) and market capitalization growth rate (doubling compared to one year or six months ago) are used as indicators to measure the growth potential of startup companies.

The constituents of this index were announced on February 13, 2026. The Company’s shares are scheduled to be included as a constituent from March 9, 2026, when real-time calculation and distribution of the index begins.

Under the mission “Be the Professional-Tech Company,” the Company has striven to expand its business by leading social transformation together with experts through the power of technology, without being bound by conventional wisdom. Moving forward, we will continue to strive for sustainable growth

accompanied by profits and further improvement of corporate value to meet the expectations of our stakeholders, including many shareholders and investors.
