Store Concept

The Shin-Kamagaya Store is located in Kamagaya City in northwestern Chiba Prefecture, along one of the city’s main roads that passes in front of the city hall. With the nearby shopping complex “Across Mall,” the store is expected to achieve strong brand recognition quickly. In addition to serving a local population of approximately 110,000 people, the store is also expected to get off to a strong start by strengthening KeePer LABO’s regional network with existing nearby stores in Matsudo, Matsudo Higashi, Yabashira, Funabashi, and Chiba New Town. This marks the 12th store opening in Chiba Prefecture.

The store was renovated and expanded from a former mobile phone shop and features a coating booth with space for up to 7 vehicles to be washed, as well as 3 washing and finishing bays. In addition to a guest lounge equipped with counter seating where customers can watch the work being performed up close, the store is within walking distance of Across Mall, AEON, and Shin-Kamagaya Station, allowing customers to conveniently spend their waiting time while services are being completed.
