Store Concept

The Takamatsu Yashima Store is located on the eastern side of Takamatsu City and has a strong presence along National Route 11, a major arterial road that runs east to west through the city. It is the second KeePer LABO store in Takamatsu City, the first directly operated store in Kagawa Prefecture, and the 183rd KeePer LABO store nationwide.

The store features a coating booth capable of accommodating up to 8 vehicles for washing and coating services, along with washing and finishing spaces for 4 to 5 vehicles. It is an all-weather facility where all work is performed indoors, a feature that has been highly appreciated by customers. In addition, the store has been designed to allow for the future expansion of 6 additional coating spaces in response to growing demand. The store also includes a guest lounge equipped with counter seating, enabling customers to wait while watching the work being carried out.
