**Notice Concerning Certain Press Reports Relating to the Company**

Certain media outlets, including the Nikkei Newspaper, reported yesterday on a proposed acquisition of the Company by Nippon Sangyo Suishin Kiko Ltd. ("Nippon Sangyo Suishin Kiko"). However, such reports were not issued by the Company.

As disclosed in the press release titled "Notice Regarding the Decision Not to Commence a Tender Offer for Company Shares by MM Holdings K.K." dated April 30, 2026, the Company has received a non-binding initial proposal from Nippon Sangyo Suishin Kiko. Following the publication of that press release, as reported in the media, the Company has in fact received a new non-binding proposal (the "Proposal"), and has commenced its consideration of the Proposal, including deliberations by the special committee established by the Company.

The Company is considering every conceivable option to maximize its corporate value and the common interests of its shareholders. However, as the Company is not yet in a position to make any decision regarding the Proposal, it will continue to consider the Proposal. The Company will promptly announce any decisions requiring disclosure, including its handling of the Proposal.
