(Correction) Notice of Partial Correction (Addition of Wording) to the "Notice: Regarding the Determination of Matters Relating to the Acquisition of Treasury Shares and the Cancellation of Treasury Shares"

Insource Co., Ltd. (the "Company") hereby announces that it has made a partial correction (addition of wording) to the reference information contained in the "Notice: Regarding the Determination of Matters Relating to the Acquisition of Treasury Shares and the Cancellation of Treasury Shares," released at 5:00 p.m. on July 21, 2026, as set forth below. The corrected portion is underlined.

1. Reason for Correction

As additional wording has been added to the section entitled "1. Reason for Acquisition and Cancellation of Treasury Shares," the Company hereby makes the following correction.

2. Details of the Correction

[Before Correction]

1. Reason for acquisition and cancellation of treasury shares

While prioritizing investment for future growth, the Company has decided to acquire and cancel treasury shares in order to optimize its capital structure and enhance shareholder returns, after comprehensively considering its cash position, capital efficiency, and other factors. In a rapidly changing business environment, the Company will maintain and strengthen its framework for implementing flexible capital policies, aiming to improve medium- to long-term corporate value and shareholder value.

[After Correction]

1. Reason for acquisition and cancellation of treasury shares

While prioritizing investment for future growth, the Company has decided to acquire and cancel treasury shares in order to optimize its capital structure and enhance shareholder returns, after comprehensively considering its cash position, capital efficiency, and other factors. In a rapidly changing business environment, the Company will maintain and strengthen its framework for implementing flexible capital policies, aiming to improve medium- to long-term corporate value and shareholder value. Furthermore, to maintain an appropriate level of treasury shareholdings, the Company intends to retain a sufficient number of treasury shares for delivery under its share-based compensation plans and, in principle, cancel any shares held in excess of that number.
