YAMASHIN-FILTER CORP.

**Our first Integrated Report is now published**

YAMASHIN-FILTER CORP (President: Atsuhiko Yamazaki) is pleased to announce that Yamashin-Filter Group's very first Integrated Report "Integrated Report 2024" is now published.

This report summarizes financial and non-financial information, such as our group's growth strategy and sustainability management, and describes our efforts to create value in the mid- to long-term.

Going forward, we will continue to provide highly transparent information and make clear disclosures while further promoting dialogue with stakeholders.

The integrated report can be found on our website.
