Position and Policy Regarding the Reduction of Investment Unit

1. Position on the Reduction of Investment Unit

UNION TOOL CO. (the “Company”) believes that reducing an investment unit is an effective measure to revitalize the stock market by improving stock liquidity and encouraging the participation of a wide range of investors.

2. Policy on the Reduction of Investment Unit

Regarding the reduction of the investment unit of its stock, the Company will consider this matter carefully, taking into account the stock trends, the level of its stock price, the composition of shareholders, changes in the trading volume of its stock, and other relevant factors.

(Note) This disclosure complies with Rule 409 of the Securities Listing Regulations set by the Tokyo Stock Exchange (Disclosure of Lowering Investment Units). The Company is subject to this requirement because, as of December 31, 2025, the price per its investment unit was 500,000 yen or more.
