(Notes on segment information, etc.)

Ones on segment information, etc.)

I. the three months of the previous fiscal year (April 1, 2024 to June 30, 2024)

As described in "II. the three months of the current fiscal year (Matters Concerning Changes in Reporting Segments, etc.)".

II. the three months of the current fiscal year (April 1, 2025 to June 30, 2025)

The Group considers the "Pumps Business" to be a single reporting segment, and omits segment information for other businesses due to their lack of quantitative importance. (Matters Concerning Changes in Reporting Segments, etc.)

Previously, the Group divided its segments into three segments: "Pumps" and "Electronic Components," which are reportable segments, and "Others," which are not included in

This change is due to the suspension of the business of HIRAFUKU ELECTRIC MFG. CO., LTD., a subsidiary of the Group's Electronic Components Business, as of December 31, 2024, and the fact that the quantitative importance of "Other" is insignificant, and we have determined that the integrated disclosure of the reporting segments as a single segment of the "Pump Business" will more appropriately reflect the Group's management conditions.

As a result of this change, segment information for the previous first quarter and the current first quarter has been omitted.
