2. Reason of revision

KOMORI recognizes the continuous and stable return of profits to our shareholders as one of our top priorities. During the 7th Medium-Term Management Plan period (fiscal years ending March 2025, to March 2027), KOMORI aims for a total return ratio of 50% and a minimum annual dividend of 40 yen. In line with the revision of the earnings forecast for the fiscal year ending March 2025 announced today, KOMORI has revised the year-end dividend forecast from the previous forecast, increasing it by 13 yen to 48 yen. Combined with the interim dividend of 20 yen, the annual dividend forecast per share is expected to be 68 yen.
