The Company's View, Policy, Etc. Concerning Reduction of Investment Unit

1. The Company's view concerning reduction of investment unit
Takeuchi Mfg. Co., Ltd. recognizes that reducing the unit of investment is one of the effective measures for increasing the liquidity of stocks and making it easier for many investors, including individual investors, to invest.
2. The Company's policy concerning reduction of investment unit
We will continue to carefully consider measures to reduce the unit of investment, taking into account the trends of the stock market and market demands. At this point, the specific measures and their timing have not yet been decided.

(Note) We disclose this information in accordance with Article 409 of the Securities Listing Regulations of the Tokyo Stock Exchange (disclosure regarding reduction of investment unit), because the average of the investment unit of our shares, calculated based on the final price of each day during the one-year period prior to the end of the most recent fiscal year (fiscal year ended February 2026), is 500,000 yen or more.
