Matters regarding independence have been added.

Matters regarding independence

We completed the filing to designate Mr. Yasushi Matsui as an Independent Audit & Supervisory Board Member, as defined by the Tokyo Stock Exchange, on May 29, 2026. Although there are business transactions between DENSO CORPORATION, where he serves as Executive Vice President, Representative Member of the Board, and the Company, the transaction amount in FY2025 was less than 1% of both DENSO CORPORATION's consolidated revenue and the Company's consolidated revenue. Accordingly, we have determined that his independence is sufficiently ensured.
