Notice Regarding Transfer of Shares of Consolidated Subsidiaries and Assignment of Receivables

Company Name	: THK CO., LTD.
Representative	: Takashi Teramachi, President and CEO
Code number	: 6481 (Tokyo Stock Exchange Prime Market)
Contact	: Kenji Nakane, Director and CFO (Tel: +81-3-5730-3911)

THK CO., LTD. (hereinafter, “THK”) hereby announces that, at the Board of Directors' meeting held on February 2, 2026, THK decided to transfer all of its shares of TRA Holdings, CO., LTD., a subsidiary of THK which has THK RHYTHM CO., LTD. as a group company (hereinafter, “TRAH”), THK RHYTHM AUTOMOTIVE CANADA LIMITED (hereinafter, “TRAC”), THK RHYTHM AUTOMOTIVE CZECH a.s. (hereinafter, “TRACz”), THK RHYTHM AUTOMOTIVE GmbH (hereinafter, “TRAG”), and THK RHYTHM AUTOMOTIVE MICHIGAN CORPORATION (hereinafter, “TRAM”; and collectively, the “Target Subsidiaries”) and all the loans receivable from the Target Subsidiaries (hereinafter, the “Receivables”) to a special purpose company indirectly funded by investment funds serviced by Advantage Partners, Inc. (Headquarter: Tokyo, Japan) (hereinafter, “SPC”). On the same date, THK and SPC entered into a basic agreement concerning transfer of shares of the Target Subsidiaries and assignment of the Receivables (hereinafter, the “Agreement”). Details are as follows.

1. Purposes of the Agreement

THK has established “Early Realization of ROE over 10%” as its new management policy and announced its management indicator targets and measures to achieve them at the announcement of financial results in February 2025. In addition to the “structural reform” in the industrial machinery business and the “selection and concentration” in the automotive & transportation business, the new management policy places greater emphasis on controlling shareholders' equity, which is the denominator of ROE. In light of these circumstances, for the automotive & transportation business, THK conducted a thorough examination of the expected cost of capital and return on invested capital (ROIC) at present and in the future as well. As a result, THK has determined that transferring the automotive & transportation business is the most appropriate option. With this action, the “selection and concentration” in the automotive & transportation business is now complete.
