Notice of Obtaining a Permit to Increase the Capacity of Controlled landfill site (Enshu Clean Center)

Regarding the planned increase in the landfill capacity of Controlled landfill site (Enshu Clean Center) announced in the "Notice Concerning Application for Change Permit of Existing landfill sites" dated September 16 2021, MIDAC Co.,Ltd., a consolidated subsidiary, rewritten an industrial waste treatment business license on April 17, 2025. The following is the announcement.

1. Overview

Our group is working to further strengthen the final treatment business, and as part of this effort, we have applied for a change permit (increase in landfill capacity) for the existing landfill sites held by MIDAC Co., Ltd., our consolidated subsidiary.

Under these circumstances, as announced on June 24 2024 in the "Notice Concerning the Increase in the Capacity of Controlled landfill site (Enshu Clean Center) ," Controlled landfill site Enshu Clean Center has already received a permit for the change of industrial waste treatment facilities related to the increase in the capacity, and construction work related to the increase has been carried out since then.

In Controlled landfill site Enshu Clean Center, construction related to the increase in the capacity was completed, and the Company received an industrial waste treatment business license from Hamamatsu City, which was rewritten with the increase in the landfill capacity. This will also enable the landfill site of the increased amount of landfill capacity.

Our group is steadily expanding the volume of landfill sites accepted, and we will respond to the strong landfill demand expected in the future by increasing the landfill capacity, while further strengthening the competitiveness of this business and our medium-to long-term earnings base.

2. Overview of Increase

Business Office Name	Landfill capacity		Start of operation
	Before increase	After increase	
Enshu Clean Center	447,297 m ³	499,025 m ³	April in 2025

3. Impact on operating performance for the fiscal year under review

The impact of this matter on consolidated results for the fiscal year under review will be reflected in the forecast for the fiscal year ending March 2026.
